Motor Coach Industries  
10850 Portal Drive  
Los Alamitos, CA 90720

## Workplace Substance Abuse Supervisor Training

*The purpose of this training is to enable supervisors to determine whether reasonable suspicion exists to require a driver to undergo testing described in §382.307. The program will include at least 60 minutes on alcohol misuse and 60 minutes on controlled substances use. The training will include information about physical, behavioral, speech and performance indicators of probable alcohol misuse and controlled substance use.*

## How will your fleet be impacted by the new California Air Resources Board Regulations?

*The new motor coach portion of the regulation will be explained. Learn how to use the fleet calculator to determine what your compliance options are. Get your questions answered. These regulations will affect how you do business in the future.*

## CBA is sponsoring new legislation that will increase enforcement action against unsafe operators. Josh will update us as to the details and progress of the bill.

## School District competition is getting worse, how much business are you loosing?

*Find out more about this growing problem and what CBA is doing to deal with it. We must work together to put a stop to this problem.*

## The Federal Charter Service Rule is under attack by transit districts.

*Find out the latest developments, the possible opportunities for new business and how you can help to preserve the regulation.*

## Could you use some extra cash?

*Ryan Kelly with Community Spec, Inc. will be updating us on current grant opportunities and status on grant awards.*

## Are you ready for seat belts?

*What do customers really want and what will riders have to put up with? Coach manufacturers will share what their seatbelt options will be for 2010.*
