

# California Bus Association Annual Spring Maintenance Seminar Taking the Byte out of Laptop Diagnostics

January 17-18, 2012

Prevost Car, 3384 De Forest Circle, Mira Loma, CA

## Preliminary Schedule of Events

*The 2012 Theme is "Taking the Byte out of Laptop Diagnostics". Our program will circle around Laptop diagnostics including Engine diagnostics from DDC, Cummins, Volvo; Transmission diagnostics from Allison and ZF; & Tire monitoring from Beru and Smartwave . We will have presentations from the industry experts so we encourage your Techs to bring their shop laptops for this lecture/hands on approach to learning. Every level technician is welcome to this all-encompassing software learning event.*
